

Dear Parent(s)

In class we are learning about community development. We would like you to check the appropriate box as to which sector of our economy you are employed in (choose the best fit). Use one checkmark for each person/ guardian (1 for father, another for mother etc.).

Agriculture: fruit, vegetables, cattle, farming, etc.

Tourism: hotels, resorts, tourist attractions, etc.

Forest Industry: sawmills, wood product manufacturing, research, tree planting, etc.

Service: food stores, business, legal, accounts, department stores, medical, hospital, schools, etc.

Manufacturing: making of products to sell. (other than forest products).

Other: anything that just can't fit in the above.

Thank you for your co-operation!
